## **Astrological Compatibility**

Astrologically, each of us is represented by a map of the heavens showing the position of the Sun, Moon and planets at the moment of our birth. Comparing two such maps shows how two people interact – how they mesh and how they clash. It's a vision of our joint strengths and weaknesses, the things that come easily to us and the things we need to work on in order to keep a relationship alive.

This report analyzes both of your natal horoscopes and then interprets the astrological connections between them. The charts' data, along with planet positions and house cusps, are printed below. There are four sections to this report: two for each person in the relationship. For each person, there's a section telling how this person approaches relationships in general; what his or her "relationship style" is, in other words. (To make a relationship work, it's essential to know what the other person needs, wants and expects.) The second section for each person tells how this individual relates specifically to the other person in this particular relationship. (No matter what your relationship style may be, each partnership has its own dynamic, which is more than a mere sum of the two people involved.) Add up the two sections for each person, and an outline of the relationship emerges . . .

Remember that every relationship contains points of light and harmony as well as points of darkness and conflict. By working with the best potentials and working around the difficult ones, you and your partner are on the inside track to taking togetherness as far as it can go. My best to both of you!

### **How You Approach Relationships**

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

*Capricorn on 7th Cusp*

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

*Saturn Ruler of 7th*

## Report for Angelina Jolie Strengths in your relationships

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

*Moon Sextile Sun (orb: 00 20')*

You are, from time to time, really inspired to the point of moving others with your enthusiasms. You exercise an almost hypnotic quality over those who listen in when your imagination takes over. Dreams, psychology, and all things occult and metaphysical are your especial province. You're never afraid to take the plunge when matters of idealism or imagination come to the fore. You feel and experience the unity of life -- that we are all in some way, one. Others sense this about you.

*Mars Trine Neptune (orb: 00 22')*

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

*Moon Conjunction Mars (orb: 02 23')*

You have great emotional control, and this allows you to pace yourself in ways average people cannot. You can keep control when others lose it. This suggests the capacity for sustained effort on your part which may manifest in a natural athletic ability. Your relationships, which tend to be long lasting, are easy going. There is an accent on leadership and masculinity.

*Sun Sextile Mars (orb: 02 43')*

You are enchanting, and can transport a group of people with your mesmerizing words, action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

*Moon Trine Neptune (orb: 02 45')*

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

*Sun Sextile Jupiter (orb: 04 00')*

You were born lucky and have never had trouble finding support and approval from others. You may find that working with people is what you want to do for a career. Whether

professionally or not, you will find yourself guiding and directing other people in one way or another. You have a way with other people and could do well in advertising, sales... any occupation that works with the public. If anything, you might have had it a little too easy, been a little too lucky.

*Moon Conjunction Jupiter (orb: 04 20')*

You are a great problem-solver, and can always think of a way to do almost anything. Your friends know you to be fair, and your integrity is unquestionable. You may find yourself interested in legal matters, publishing, philosophical and religious subjects, and would make a good teacher or instructor. Scientific investigation would interest you.

*Mercury Sextile Jupiter (orb: 04 54')*

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

*Mercury Trine Uranus (orb: 06 28')*

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

*Mars Conjunction Jupiter (orb: 06 43')*

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

*Sun Trine Pluto (orb: 06 54')*

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

*Sun Conjunction Mercury (orb: 08 54')*

## Report for Angelina Jolie Challenges in your relationships

You may have trouble giving yourself credit and appreciating yourself for who you really are. You can be torn between grand ideas of some ideal love for all beings in a very abstract sense as opposed to loving real people on a day-to-day level, as they actually are. Others may accuse you of being selfish, or ungrateful -- of not giving credit where credit is due.

*Sun Semisquare Venus (orb: 00 16')*

You could have a fear of the new and different -- of sudden changes. However, once they occur you really get a charge out of them. You would like to break away and live an unusual, exciting existence, but your conventionality holds you back from making the move. The result is that you often feel frustrated and mired in the humdrum. Jealousy in love affairs could present a problem.

*Venus Square Uranus (orb: 00 39')*

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

*Sun Opposition Neptune (orb: 03 05')*

A history of insecurity, possibly fear of confrontation and of getting to the heart of things. Competitive to the point of power struggles. Frequent blow-ups. Things tend to build up to the point where you go through some big transformation and start over. Your attempts to control relationships end with your feeling rejected. A very understanding, psychologically oriented partner is in order.

*Mars Opposition Pluto (orb: 04 11')*

You don't have much faith in people seeing what is good about you on first meeting. You want to do something for them, somehow show them by action and work what you are really about. You are never a lightweight, for you take feelings very seriously. Sometimes you can't help but be a party-pooper. You won't just let your feelings out without examining them. Contact with others may have the effect of putting them in touch with their more serious side. Some may see you as religious or meditative.

*Moon Square Saturn (orb: 04 18')*

You have always felt vulnerable when deep emotional issues are brought up, and may have a history of avoiding confrontation and self-examination. You are ever so sensitive to ideas of death, helplessness, and vulnerability in general. You see them only too well, and they haunt you. There may well be some childhood experiences that were rough or harsh for you to accept. Any partner will have to tread very gently when it comes to matters of feelings and security. You may tend to dominate a relationship, but without success.

*Moon Opposition Pluto (orb: 06 34')*

You may have difficulty expressing your feelings, with the result that tension accumulates to

the boiling point. You may get the feeling sometimes that situations and other people unite to repress you, to hold you back. You probably have had some really harsh experiences, hard feelings. You feel you must push and strain to get anywhere at all. You would do well with a partner who can help you through the process of getting your feelings out without exploding.

*Mars Square Saturn (orb: 06 41')*

## **Report for Angelina Jolie Your Relationship with Brad Pitt**

The two of you may end up working with the public on some health or service-related project. That may even be how you met. Brad personifies, and brings to your attention, concerns that you have known about for a long time but perhaps never acted upon. Things like diet, smoking, exercise, preventative medicine...anything that exemplifies a caring attitude. He is very supportive, and when you are with him it seems that all these endless details are easy and even fun to care for.

*His Moon in Your Sixth House*

Here is a real playmate, a lover in all the traditional sense of that word. Brad really gets those creative juices bubbling, and through him you discover artistic tendencies you never knew you had. You might even write a poem or two. There is a first blush and sense of mutual discovery in this relationship. Through knowing him you have become more self-expressive, more active. There is a growing sense of self-confidence and pride in yourself that you gain from this relationship. There is a good feeling to this relationship.

*His Sun in Your Fifth House*

When the two of you get together for an intensive talk session, watch out. You love to discuss the details of work and matters relating to your health, self-improvement, and general well-being. He brings out ideas on how to improve and care for yourself. On the down side, both of you can slip into a very critical vein, especially of others. You may find yourself working together in some editorial or managerial capacity.

*His Mercury in Your Sixth House*

He appreciates your sense of duty and concern for others. Time spent together tends to enhance these qualities in you. You may not have known how much you care about life and other people before you met. You find yourself taking better care of yourself, by attending to the details and odds & ends of your life. He values you for your more conservative qualities and tends to see you as painstaking and particular when it comes to attending to details.

*His Venus in Your Sixth House*

When all is well, the two of you manage to get a lot done, attending to all of the responsibilities that need caring for. He drives you to a greater response than you could provide on your own when it comes to taking care of business. However, if you are the least bit upset or overloaded, you may experience Brad as too much of a good thing. He may irritate you. Or you may get critical and petty with one another. The whole thing can be hard on your nerves.

*His Mars in Your Sixth House*

Brad may be a real leader or inspired teacher for you. Through him you may discover a more philosophical and religious side of yourself. You respect his integrity and judgment, and have no trouble following his lead, because he is always fair and knows the right way to handle things. You may have long walks and long talks. Traveling somewhere together would be ideal. He tends to open up your mind to new horizons, perspectives, and possibilities.

*His Jupiter in Your Ninth House*

A serious and perhaps lasting relationship, but not necessarily a romance. Brad can't help but exert a certain influence or control on your social sense -- how you react to other people. You may find it difficult to respond to him, for he might be more at home at a funeral than a party. If you are too loose and free on the social scene, this could be a beneficial person to know. You will learn a lot in a hurry.

*His Saturn in Your Seventh House*

Brad has an unusual, original, way of appreciating or caring for you. The way he shows affection is different, and this could make for an interesting love life. Or he might introduce you to alternative ways of financing or making money. His ideas on handling your resources and providing for yourself may be just the ticket. Whatever else, they won't be just more of the same.

*His Uranus in Your Second House*

You share a sense of the unity of life, and this could mean a very happy, almost dreamy domestic scene. There is a tendency to lose yourself in dreams and fantasies, so strong is your imagination when you are together. You could make very beautiful music together. You may have to be a little careful not to get carried away with all of this and neglect your responsibilities (the details of life).

*His Neptune in Your Fourth House*

He may be responsible for a deep change in your values, all that you consider important in life. This may involve some very sensitive issues and real self-facing on your part. Through knowing him, your status in the world (especially in regard to finances) could undergo a transformation. He may help you strip away many unessential qualities and concentrate on those resources that can actually benefit you.

*His Pluto in Your Second House*

## **Report for Angelina Jolie** **Strengths in your relationship with Brad Pitt**

This might turn out to be a great working (business) relationship. You have no trouble getting behind him, and can urge him to greater success. There is a natural sense of harmony and flow to the relationship.

*Your Mars Conjunction His Jupiter (orb: 00 52')*

Brad may be a real help when it comes to disciplined thinking, mental organization, and study in general. You are able to talk about his problems easily. You are able to put into words situations in which he finds himself.

*Your Mercury Trine His Saturn (orb: 03 11')*

Brad will find you very supportive when it comes to matters of his career or life direction. He can trust your advice, and you tend to act as a guide for him in many ways. This could be a good business relationship too.

*Your Moon Conjunction His Jupiter (orb: 03 15')*

Brad may be one of your most valuable assets and have a great influence on your career and life direction. Through his support you may succeed in finding solutions to many a problem. You work well together and would make good partners.

*Your Sun Sextile His Jupiter (orb: 03 35')*

This could be a real working relationship. Brad has an organizing effect on you, and brings discipline and good sense to any project the two of you engage in. Although somewhat cool and conservative, this has every sign of being a very durable relationship.

*Your Sun Trine His Saturn (orb: 05 43')*

## **Report for Angelina Jolie**

### **Challenges in your relationship with Brad Pitt**

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

*Your Mars Square His Mars (orb: 00 41')*

He may feel that you pooh-pooh his fears and worries. His own need for sensitive self-examination and transformation may not appeal to you, with the result that you may sidestep his little confrontations. There could be a bit of a power struggle, complete with explosions.

*Your Sun Square His Pluto (orb: 00 48')*

You can't appreciate his continual need for self-analysis and confrontation. He never seems happy unless he has reduced every meeting to its lowest common denominator. He may go against all that you hold dear, and drag you through scene after scene. A problem.

*Your Venus Semisquare His Pluto (orb: 01 04')*

From time to time there may be some hard feelings and harsh words between you. You may not feel like talking, or find that you can't support a lot of what he is saying. He may not be able to understand how you feel, and resents your attitude.

*Your Moon Square His Mercury (orb: 03 02')*

There are a lot of hurt feelings in this relationship. Argument and power struggles are to be expected. You tend to ignore, or not be sufficiently supportive of, Brad's feelings. He can't help but get in digs at you on a regular basis.

*Your Moon Square His Mars (orb: 03 03')*

You may not appreciate his sense of independence, always having to do something different and unusual. You don't like surprises. It may go against your own set of values and thus be a cause for dissension.

*Your Venus Semisquare His Uranus (orb: 03 05')*

You never know what to expect with Brad. His need for variety and the unusual may conflict with your own more conservative trends. He may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

*Your Sun Square His Uranus (orb: 03 21')*

There may be some problems in communication. You may find it difficult to talk with Brad, or attempts at communication end up in a standstill. His attitude and manner may leave you feeling frustrated, unable to communicate.

*Your Mercury Opposition His Sun (orb: 03 32')*

This may never do. Neither of you are able or willing to give the other much credit. There is a lack of appreciation, and very little sense of shared values. You may not like the same things.

*Your Venus Opposition His Venus (orb: 04 41')*

There may be some hurt feelings on Brad's part because he feels unappreciated by you. You don't always give him the credit that he feels he is due. He may refuse to give you the kind of

support and nurturing that you're looking for. You both tend to be at loggerheads over this.

*Your Venus Opposition His Moon (orb: 05 20')*

Brad refuses, or is often unable, to get your meaning. He may feel that your own feelings are lacking as a motivating force in your life. This can lead to harsh exchanges and hot tempers.

*Your Mars Square His Mercury (orb: 05 24')*

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

*Your Moon Square His Moon (orb: 09 45')*

## **Report for Brad Pitt**

### **How You Approach Relationships**

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

*Gemini on 7th Cusp*

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

*Mercury Ruler of 7th*

## Report for Brad Pitt Strengths in your relationships

You have a real drive to discover or invent things. You are always pushing the envelope, going the limit. You know it is at the leading edge where all the real breaks occur. You are fascinated by what is happening in technology and communications. Others find you original and nonconventional, especially in your love life. You have your own very original idea of love, emotions, and marriage. You march to a different drummer when it comes to relationships.

*Mars Trine Uranus (orb: 00 03')*

People just naturally love you, perhaps because they sense that you really care for them too. This amounts to more than just a minor talent. You have lots of friends, and many relationships. You're just fun to be around. You may hang out with artistic types, or be one yourself. The feminine, in all of its aspects: fashion, beauty, style, etc., is your cup of tea. You love people and working with the public.

*Moon Conjunction Venus (orb: 00 39')*

You have a fantastic imagination and are somehow tuned into what we all dream of at the deepest levels. The dream worlds, the more eternal thoughts of mankind, come easy for you, and you would be a convincing speaker on occult, metaphysical, and religious subjects. The way you talk about the intuitive and imaginative realms is very moving to others. You are able to put into words the sense of unity that we all know exists in the world but can't always keep in mind. You could be a fine poet or musician, especially a composer.

*Mercury Sextile Neptune (orb: 00 42')*

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

*Mercury Trine Pluto (orb: 01 53')*

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

*Mars Trine Pluto (orb: 04 12')*

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

*Mercury Trine Uranus (orb: 06 02')*

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

*Mercury Conjunction Mars (orb: 06 05')*

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

*Moon Conjunction Mercury (orb: 06 43')*

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

*Mercury Conjunction Venus (orb: 07 22')*

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

*Moon Trine Pluto (orb: 08 36')*

## **Report for Brad Pitt**

### **Challenges in your relationships**

You may squander your money, tend to expand too rapidly, do too much. Your feelings often run counter to the status quo or accepted norm, with the result that you may tend to be a bit of an outlaw. This could extend to your married life too, which might be somewhat unconventional. A stubborn streak may find you refusing to walk the straight and narrow, doing what is expected.

*Mars Square Jupiter (orb: 00 12')*

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

*Sun Semisquare Neptune (orb: 05 56')*

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

*Mercury Square Jupiter (orb: 06 17')*

## **Report for Brad Pitt Your Relationship with Angelina Jolie**

You probably felt at home with Angelina right from the start. You enjoy doing things together. It feels natural and good. It occurs to you that this relationship could last a while. She feels almost like family and does a lot to bring out your more domestic side. The two of you might cater to the public or run a business from your home.

*Her Moon in Your Fourth House*

This is a true partnership -- real marriage material. When you first met Angelina, you got the message as to what marriage and partners are really all about. Perhaps for the first time you experienced what it is like to totally respond to another person. All you wanted to do was to love and care for her. Bells rang, and all of that. It had the potential for being a real initiation, a coming together. You are ready to work to keep this love together.

*Her Sun in Your Seventh House*

The two of you have a great rapport. There is mental kinship. In fact a talk session with Angelina almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

*Her Mercury in Your Seventh House*

She finds you more sexy than just attractive. You felt this quality from the first. Her appreciation for you is quite bare and direct. It cuts through words and needless explanations. You can't resist. It's as if she already knows the real you and likes what she finds. She handles the most sensitive areas of your personality without even asking your permission. She knows what to do. A very exciting condition.

*Her Venus in Your Eighth House*

Any relationship with Angelina is going to have real emotional overtones. She has a knack for getting you right in the pit of your stomach. It will never be dull, but it's not likely to be tranquil either. She has real opinions, and tends to push you to declare yourself and to send out roots. There is a drive to get you to settle down and make a home. She has a lot of energy behind this thought. It may be just what you need to stop postponing the domestic scene. She is a real experience.

*Her Mars in Your Fourth House*

She tends to lead you away from the bright lights, and shows you the value of home, family, and security. Angelina does not force this upon you. Through her you discover your own desire to just live and build a foundation. You find yourself wanting to settle in and send down roots. She is the key to your discovering these qualities in yourself. You may love to cuddle up together and count the blessings of a peaceful homestead-like existence.

*Her Jupiter in Your Fourth House*

It may be hard to get personal with Angelina, and this may be a toughy if you're thinking about romance. You may feel tied down and unable to work efficiently or profitably. You may

lose sight of what is essential in any personal or business venture. You could accumulate debt. Not a traditional sign for a good business relationship.

*Her Saturn in Your Eighth House*

Angelina has the capacity for introducing you to radically new goals and groups of people. Perhaps through her you will meet a whole new set of friends, or be part of a group working on a new-age project. You may come to have a completely new idea of your fellow man, of brotherhood, and all of that stuff. She has radical ways of seeing things. All this may come as quite a surprise to you and may upset the traditional apple cart. She is anything but boring.

*Her Uranus in Your Eleventh House*

This relationship is potentially a very useful one. Through Angelina you get a real sense of self-sacrifice and working for the benefit of all mankind. You may be swept up in an almost dreamlike state, able to be very forgiving and understanding. You may feel a little saintlike. On the down side, the whole thing can find you carried away to the point of neglecting the realities of life. You might give all your possessions away. Who knows if that would be a good or a bad thing?

*Her Neptune in Your Twelfth House*

Angelina exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and she is not afraid to let you know about it. From the first time you met, she probably jumped right into your business and started making suggestions -- and they were right on the money. The net result is that you may go through a major transformation as to what you do with your life through knowing her.

### **Challenges in your relationship with Angelina Jolie**

Your relationship can have all the humor of a "push me-pull you" comedy routine. It is surprising how the two of you manage to come up against each other time after time. If there is not an understanding of this tendency, it could end up with endless arguments and harsh feelings. It's amazing, with all the energy you both have, that you can't seem to come together very often.

*Your Mars Square Her Mars (orb: 00 41')*

She is critical of your ideas, and you may feel somewhat tongue-tied when you are around her. She may feel that you refuse to consider her problems or that you dismiss them with a few words.

*Your Mercury Opposition Her Saturn (orb: 01 17')*

A basic lack of communication, particularly regarding Angelina's career decisions. She tends to go against your way of thinking, or you refuse to talk about this subject with her. It may be difficult to communicate.

*Your Mercury Square Her Jupiter (orb: 01 19')*

There is this sense of the unromantic. She may feel that you don't value her ideals and don't support her dreams. You may find her unrealistic and may not appreciate "escapism" on her part.

*Your Venus Semisquare Her Neptune (orb: 01 52')*

You won't support what you feel are unrealistic notions and fantasies on her part. Her escapism does nothing for you. You feel she should learn to be more down to earth and practical. There can be much disappointment, and possibly deception, with this combination.

*Your Moon Semisquare Her Neptune (orb: 02 31')*

It's no secret that you and Angelina can have communication problems. You may find her lack of support for what you say and think unfair and hard to accept. Yet it is a two-way street -- often your thoughts and ideas rub her the wrong way too. They are contrary to the way she feels about things, and she finds it difficult to be encouraging at times.

*Your Mercury Square Her Moon (orb: 03 02')*

Heavy feelings and emotional drama will be a part of this relationship. You may feel that she refuses to support your life ambitions. You may find yourself hurting her feelings again and again. A stormy marriage.

*Your Mars Square Her Moon (orb: 03 03')*

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore her need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

*Your Mars Square Her Pluto (orb: 03 30')*

She may not always think highly of you and is not afraid to let you know when this is the case. You may sometimes tend to discount what she says and squelch communication. You don't always like what she thinks.

*Your Sun Opposition Her Mercury (orb: 03 32')*

This may never do. Neither of you are able or willing to give the other much credit. There is

a lack of appreciation, and very little sense of shared values. You may not like the same things.

*Your Venus Opposition Her Venus (orb: 04 41')*

She may not appreciate your feelings and emotions, and may not like your moods. You may tend to ignore her values and ideals and take them too lightly. She senses that you may not support her sense of values. There could be a kind of cold war going on.

*Your Moon Opposition Her Venus (orb: 05 20')*

You may not appreciate her sense of independence, always having to do something different and unusual. You don't like surprises. It may go against your own set of values and thus be a cause for dissension.

*Your Venus Square Her Uranus (orb: 05 20')*

Angelina may feel that she doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions she makes upsetting to you emotionally. Her basic philosophy of life can sometimes be at odds with the way you are feeling.

*Your Moon Square Her Jupiter (orb: 05 24')*

Harsh words and arguments may not be uncommon. She tends to irritate and get pushy, with the result that you may get sharply critical and say more than you intended. Your analysis of her feelings may drive her a little crazy.

*Your Mercury Square Her Mars (orb: 05 24')*

You may find her somewhat repressive of your feelings. She manages to put a damper on you every time you get to feeling good and comfortable. There is no way you will support this side of her, and this could lead to a real standoff.

*Your Moon Opposition Her Saturn (orb: 05 26')*

Angelina's feelings of independence, and her unusual ways, tend to rub you the wrong way at times. You refuse to support her oddball ideas. She may find you restricting and unimaginative. There is definite disagreement here.

*Your Moon Square Her Uranus (orb: 05 58')*

Romance aside, this is not a good combination for any business relationship. You are not very appreciative of her decision-making, and you probably seldom take her advice when it comes to career decisions. She may persevere against your best wishes, with the result that she may tend to overdue, overspend, and get carried away.

*Your Venus Square Her Jupiter (orb: 06 03')*

She may have a tendency to throw cold water on your enthusiasms and hurt your feelings. You may not take her problems seriously enough to suit her, and she may tend to restrict your natural sense of love and appreciation. There is cold-war tension to this relationship.

*Your Venus Opposition Her Saturn (orb: 06 05')*

You may feel that her attempts to discipline you are ineffective at best. Throwing cold water on your enthusiasms has never done much for you. You may delight in shattering her neat little universe from time to time. You feel repressed by her.

*Your Mars Opposition Her Saturn (orb: 07 22')*

Timing could be off between the two of you. Your drive and ambition fail to link up with her ideas of career and success. You may feel that she is not a good decision-maker and tends to

squander your assets.

*Your Mars Square Her Jupiter (orb: 07 24')*

Push me; pull you. There is a tendency to end up feeling at odds with one another no matter what the issue. This could manifest in hard feelings and a lack of support on each of your parts. It is a no-win situation, and even a bit humorous.

*Your Moon Square Her Moon (orb: 09 45')*
